Compassion and concern for your pet's safety, style, comfort, and well-being are our top priorities. The team at Furr strives to provide excellent customer service and personalized attention to each pet. Each pet that obtains services will receive a complimentary exam with a take home report. Certain veterinary services are also available to be performed during your pet's visit, saving you a trip to the vet!

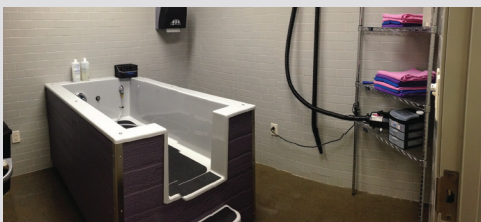

Thinking about painting your dog's toenails or rocking a mohawk on your favorite feline? We can help! Whatever style your furry friend has, our knowledgeable groomers can keep them looking good.

Our full line of pet wellness products are a great addition to your pet's regular care between spa appointments! We offer a wide range of products from treats and food additives to shampoos and ear cleaning solutions.

Self Serve Dog Wash

Do it yourself, without the mess at home! We provide the shampoo, conditioner, water, towels, and dryer with an easy to use walk-in dog tub. The self serve dog wash does not require an appointment, so stop on in!
